

Dear Parent:

This Fall 2007 season, NWLL is offering online registration for boys and girls wishing to play in any of our baseball divisions (other than the Prep and Senior divisions) or our new Girls Softball division. Online registration is quick and easy and, if making payment by credit card, will generate an instant confirmation. You can register now by going to www.sportssignup.com/nwlldc.start.

Many thanks to our board, who approved this trial, and especially to board member and Registrar John Mahaffie, who has tirelessly researched, evaluated, set up and tested this system.

Please bear in mind that NWLL is completely run by volunteers who work not for pay, but for the joy of seeing their sons and daughters and countless other children enjoy the thrill of good sportsmanship and competition on the ball field. By day we toil as doctors and lawyers, accountants and shopkeepers. Not a single one is a computer specialist or tech guru. We have done our best to find a technologically and financially appropriate system and to tailor it to our needs and the needs of our families. There will be glitches along the way, perhaps some catastrophic ones. We have done and will continue to do our best to minimize problems and ask in advance for your patience and understanding.

Please print out and retain a copy of all registration receipts and confirmations until the season has begun.

We will continue to accept registrations by mail but will no longer mail registration forms to families. You can download a paper form from our website at www.nwlldc.org. Also please note that you have the option of paying your online registration fee by check in addition to credit card.

We hope you find online registration a step in the right direction. Whether you register your child online or by paper, however, we look forward to seeing you and your child on the field this Fall.

Play ball!

Bill Menard
President, NWLL
