P.O. Box 39071 • Washington, DC 20016  
(202) 686-1222

January, 2008

Dear Potential sponsor:

We are writing to you to ask your support of the Northwest Little League. NWLL provides over 500 children in Northwest Washington the opportunity to play baseball in 6 different divisions. Kids at age 6 begin with us playing in our T-Ball division, all the

way through our travel team at age 16. We also run the city's' only Challenger program which provides an opportunity for children with physical and mental handicaps to play baseball.

NWLL has kept registration fees very low and provided fee waivers to any family that asks in order to maximize participation from our neighborhoods. We also provide funds and volunteers for maintenance of the fields we use. Sponsors are critical to the success of the league. We are looking to sign up sponsors now because we can save money by ordering uniforms earlier. That's why we are asking you now if you will sponsor a team this year.

The cost to sponsor a team this year is \$600 for the spring and fall 2008 seasons. With sponsorship, you get your organization's name on the team's shirts (the kids become walking billboards for your organization!). You get your organization's name and website link on the NWLL website, and you will be acknowledged several times to all the league families and in a full page ad in the *Northwest Current*. We also have a new opportunity this year for a few firms to sponsor an entire division. Please contact us if you have any interest in this broader based opportunity.

If you can commit to sponsorship, we ask you to fill out the brief form attached here, and to send a check to us right away.

Please support the League in 2008!

Best regards,

Jim Wohlgermuth
